GR-060. Register of Merit and Superior

A. Register of Merit – The purpose of the Register of Merit is to establish a record of excellence. Horses are advanced to the Register of Merit when they have won at least twenty five (25) points in the scale of points for contests in any one event.

B. Superior – to be awarded at which time a horse or rider accumulate 75 points in a single class.

GR-070. Tack & Equipment

A. A western saddle is a common type of saddle distinguished by a large noticeable fork on which there is some form of horn, a high cantle, and large skirt. Saddles and other equipment should be suitable for ranch work. We encourage and promote good working tack.

B. Bridle will consist of a headstall with browband, shaped ear, or split ear.

C. The carrying of a rope or reata is optional.

D. The use of a martingale, tie-down, noseband, chin strap narrower than ½ inch (1.27cm) or mechanical hackamore, unless otherwise specified is prohibited.

E. References to hackamore means the use of flexible, braided rawhide, leather, or rope bosal, and have a non-metal flexible core. A hackamore must use complete mecate rein, which must include a tie-rein. Absolutely no rigid material will be permitted under the jaws, regardless of how padded or covered. There must be a minimum of one finger space (approximately 3/4 inch, 1.9cm), between the bosal and the nose.

F. Reference to snaffle bits in performance classes mean the conventional O-ring or D-ring with a ring no larger than 4 inches. The inside circumference of the ring must be free of rein, curb, or headstall attachments which would provide leverage. The mouthpiece should be round (no twisted wire), oval or egg-shaped smooth and un-wrapped metal. It may be inlaid but must be smooth. The bars must be a minimum of 5/16 inch in diameter, measured one inch in from the cheek with a gradual decrease to center of the snaffle. The mouthpiece may be two or three pieces. A three-piece, connecting ring of 1 1/4 inch or less in diameter, or a connecting flat bar of 3/8 to 3/4-inch measured top to bottom, with a maximum length of 2 inches, which lies flat in the horse's mouth is acceptable. Optional curb strap attached below the reins in a snaffle bit is acceptable.

1. Mecate reins may be used with a snaffle bit when ridden with two hands.

2. When showing in a snaffle bit in any class, the exhibitor has the option of bridging the rein(s) two different ways. The reins may either bridge reins traditionally with the tail on each side of the neck; or the reins may be bridged with one rein and have the tail of the reins on one side of the horse's neck.

G. Reference to a bit in performance classes means the use of a curb bit that has a solid or broken mouthpiece, has shanks and acts with leverage. All curb bits must be free of mechanical device and should be considered a standard western bit. A description of a legal, standard western bit includes:

1. 8½ inch maximum length shank. Shanks may be fixed or loose.

2. Concerning mouthpieces, bars must be round, oval or egg shaped, smooth and unwrapped metal of 5/16 to 3/4 inch in diameter, measured 1 inch from the cheek. However, wire in the sway bars (above the bars and attaching to the spade of a traditional spade bit is acceptable. They may be inlaid but must

be smooth. Nothing may protrude below the mouthpiece (bar), such as extensions or prongs including upward prongs on solid mouth pieces. The mouthpiece may be two or three pieced. A three-piece, connecting ring of 1¼ inches or less in diameter or a connecting flat bar of 3/7 to 3/4 inch which lies flat in the horse's mouth is acceptable. The port must be no higher than 3 1/2 inches maximum, with rollers and covers acceptable.

3. When a curb bit is used, a curb strap or curb chain is required, which must be at least ½ inch in width, lie flat against the jaw, and be free of barbs, wire, and/or twists. A double chain that is welded together and acts as one chain is legal.

4. Slip, chain or gag bits are not permitted.

5. Judges may prohibit the use of any bit or equipment, which they consider to be inhumane, or which may give the exhibitor an unfair advantage.

6. Horses of all ages may be shown in a snaffle bit, curb bit, or bosal. Riders often have the flexibility to change the type of bit they use on their horse based on the requirements or preferences of each class. The choice of bit can depend on factors such as the discipline being competed in, the horse's training level, and the rider's communication preferences with their horse. Different classes may have different expectations or regulations regarding equipment, but as long as the bit used complies with the rules of each specific class, riders can adjust their equipment accordingly.

H. Reins

1. Only one hand may be used on the reins and the hand must not be changed, except when using a Snaffle Bit. If showing in a shank bit with split reins one hand must be around the reins; with only one finger between reins. If tail of reins become

tangled, they may be fixed at any time during a run. The exhibitor must go behind the rein hand to fix reins.

2. Whenever this rule book refers to romal, it means an extension of braided or round material attached to closed reins. This extension shall be carried in the free hand with an approximate 16 inch spacing between the reining hand and the free hand holding the romal. When using the romal reins, the rider's hand shall be around the reins with the wrist kept straight and relaxed, the thumb on top and fingers closed lightly around the reins. When using a romal, no fingers between the reins are allowed. The free hand may not be used to adjust the rider's length of reins in any reining class. During reining, the use of the free hand while holding the romal to alter the tension or length of the reins from the bridle to the reining hand is considered to be the use of two hands and a score of 0 will be applied, with the exception of any place a horse is allowed to be completely stopped during a pattern. The free hand may be used to adjust the rider's length of rein.

I. Equipment

1. No hoof polish.
2. No bands or braids
3. No false tails
4. Trimming inside ears is discouraged. Trimming of bridle path, excessive fetlock hair and long facial hair is allowed.
5. Rear cinch is allowed.
6. Breast collar is allowed.

GR-090. Attire

A. Riders must wear either a western hat or protective headgear.

B. Long sleeve shirts, western boots, long pants/jeans are required.

B. Chaps, spurs, scarves, gloves are optional.

Class Procedures and Scoring

SH-100. Classes Offered:

The following individual ranch horse classes may be offered for all divisions at any show:

1. Ranch Rail Pleasure
2. Ranch Pleasure
3. Ranch Riding
4. Ranch Trail
5. Ranch Reining
6. Ranch Cow Work
7. Ranch Boxing
8. Ranch Box-Drive-Box-Drive
9. Ranch Conformation Halter
10. Ranch Yearling Longe Line

SH-105. Ranch Rail Pleasure

A. This class is intended as a rail class but individuals working off the rail will not be penalized, and in fact, riders are encouraged to use adequate space given the extension of gaits required.

B. The ranch rail pleasure class measures the ability of the horse to be a pleasure to ride while being used as a means of conveyance from one ranch task to another and should reflect the versatility, attitude, and movement of a working horse. The horse should demonstrate a relaxed, quiet, soft, and cadenced stride at all gaits. The horse should be ridden on a relatively loose rein with light contact and a natural head carriage. The horse should be responsive to the rider and make timely transitions in a smooth and correct manner. In all gaits, movement of the ranch rail pleasure horse should simulate a horse needing to cover long distances, softly and quietly, like that of a working ranch horse.

C. The following terminology shall apply:

1. Walk: The walk is a natural, flat footed, four-beat gait. The gait is rhythmic and ground-covering.

2. Trot: The trot is a square natural two-beat gait demonstrating more forward motion than the western jog. Rider shall remain seated at the trot.

3. Extended Trot: The extended trot is an obvious lengthening of the stride with a definite increase in pace. The horse should be moving in a manner as if it were covering a large area on a ranch with an above level topline. The rider may remain seated, or post/stand while exhibiting the extended trot.

4. Lope: The lope is a three-beat gait. The lope should be relaxed and smooth with a natural, forward moving stride.

5. Extended Lope: The extended lope is not a run or a race but should be an obvious lengthening of the stride, demonstrating a forward, working speed. The horse should display an above level topline with a bright, attentive expression.

D. Class shall work both ways of the ring at all required gaits. Stop and back are optional.

SH-110. Ranch Rail Pleasure Penalties

A contestant shall be penalized accordingly each time the following occur:

1. Too slow/per gait.
2. Over-bridled.
3. Out of frame.
4. Break of gait at walk or jog for 2 strides or less.
5. Break of gait at walk or jog for more than 2 strides.
6. Break of gait at lope.
7. Wrong lead or out of lead.
8. Draped reins.
9. Out of lead or cross-cantering more than two strides.
10. Trotting more than three strides when taking lead.
11. Blatant disobedience (kick, bite, buck, rear, etc.).
12. Major disobedience or schooling.

13. Spurring in front of cinch.
14. Use of either hand to instill fear/ praise

SH-115. Ranch Pleasure

A. The purpose of the ranch pleasure class is to demonstrate the ability of the horse to cover ground while performing duties in a ranch setting, while still being a pleasure to ride. The horse should demonstrate a positive attitude and the ability to perform as a working ranch horse without the confines of an arena. The horse should be relaxed, quiet, soft, and show cadence at all gaits. The horse should perform on a relatively loose rein, and without a drape. The horse should exhibit a forward motion and demonstrate a lengthening of stride at extended gaits. Transitions should be executed in a smooth and timely manner.

B. Ranch Pleasure class may be held inside or outside of an arena. Each horse shall be shown individually.

C. Show management may run concurrently with Ranch Trail.

D. Gaits:

1. Normal Walk: The normal walk is a natural, flat-footed, four-beat gait. The gait is relaxed and rhythmic.

2. Extended Walk: The extended walk should be straight, flat-footed, and relaxed while showing a lengthening of stride and remaining relaxed with a positive attitude.

3. Trot: The ideal trot is a square, two-beat gait with a soft, steady cadence, and soft enough to cover long distances showing more forward motion than a western jog. The rider shall remain seated at the trot.

4. Extended Trot: The extended trot should show an obvious lengthening of stride and an increase in pace. The horse should be moving in a manner as if it were covering a large area on a

ranch with an above level topline. The rider may remain seated, stand, or post while exhibiting the extended trot.

5. Lope: The lope is a 3-beat gait which should be steady, relaxed, and comfortable to ride.

6. Extended Lope: The extended lope should show a lengthening of stride while maintaining proper cadence at a 3-beat gait. The extended lope should display an above level topline with a bright, attentive expression. It is not a run or race. The rider may stand in the stirrups.

7. Stop: The stop should exhibit balance from all gaits. The ranch horse should stop straight, engaging both the hocks and hindquarters, while being ridden with light contact and without resistance to the rider's cues.

8. Reverse: The ranch horse should be willing to turn briskly on a relatively loose rein and without resistance. The reverse may be performed in either direction.

9. Back: Back on command, quietly, willingly, and easily in a straight line without resistance.

E. Markers may be set up to designate gait changes. It is the exhibitor's responsibility to know the instructions for each pattern.

F. When establishing the course, the following distances are suggested. Patterns may begin in either direction. Optional patterns may be used if all elements of the class are fulfilled as follows: Horses will be shown individually at three gaits; walk, trot, and lope, in each direction of the arena, an extended trot and extended lope at least one direction of the ring. G. The scoring system is designed to be positive, straightforward, and always encourage growth and improvement in both horse and rider. The scoring system is designed to give credit for the work done. Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The

horse/rider team is scored on the quality of each maneuver (e.g., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 Good, +1 very good, +1 1/2 excellent). Positive and negative scores reflect the smoothness, finesse, attitude, quickness, and authority of the horse/rider team when performing the various maneuvers. Penalties may be applied to each occurrence and be deducted from the final score:

1. One (1) Point Penalties:

- a. over bridled (per maneuver)
- b. too slow (per gait)
- c. out of frame (per maneuver)
- d. break of gait at the walk or trot for two strides or less

2. Three (3) Point Penalties:

- a. wrong lead or out of lead
- b. break of gait at walk or trot more than two (2) strides
- c. draped reins (per maneuver)
- d. break of gait at the lope

3. Five (5) Point Penalties:

- a. Blatant disobedience (kick, bite, buck, rear)
- b. Use of either hand to instill fear or to encourage movement
- c. Spurring forward of the cinch
- d. Use of either hand to instill fear/praise

4. Off-Pattern: cannot place above others who complete pattern correctly.

- a. Breaking pattern
- b. Use of two hands (except in snaffle bit or hackamore)
- c. More than one finger between split reins or any fingers between romal reins (except two rein)

5. Disqualification:

- a. Illegal equipment (including hoof black, braided or banded manes or tail extensions)
- b. Willful abuse
- c. Lameness

- d. Leaving working area before pattern is completed
- e. Repeated disobedience
- f. Disrespect or Misconduct
- g. Schooling
- h. Fall of horse and/or rider

Holding the saddle horn with either hand will not be penalized in any Ranch Horse classes.

SH-120. Ranch Riding

A. This class aims to evaluate the horse's versatility, attitude, and movement while engaged in ranch-related activities outside the confines of a traditional arena setting. The horse should be well-trained, relaxed, quiet, soft, and cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse shall be ridden with light contact without requiring undue restraint. A full drape of rein will be penalized. The ideal ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

B. Class Procedure:

- 1.** One of the suggested patterns may be used, however a judge may utilize a different pattern as long as all required maneuvers and the three (or more) optional maneuvers are included. The required maneuvers will include the walk, trot, and lope both directions; the extended trot and extended lope at least one direction; as well as stops, and back.
- 2.** Optional maneuvers may include a side pass, turns of 360 or more, change of lead (simple or flying), walk, trot or lope over a pole(s); or some reasonable combination of maneuvers that would be reasonable for a ranch horse to perform.
- 3.** The maneuvers may be arranged in various combinations with final approval by the judge.

4. Emphasis on forward movement, free-flowing, and ground covering for all gaits. Transitions should be performed where designated, with smoothness and responsiveness.

5. No time limit.

6. Sitting at the regular trot and lope is recommended; though standing in the stirrups at the extended trot and extended lope, or posting the extended trot is acceptable.

SH-125. Ranch Riding Scoring and Penalties:

A. Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance. The horse/rider team is scored on the quality of each maneuver (e.g., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 Good, +1 very good, +1 1/2 excellent). Positive and negative scores reflect the smoothness, finesse, attitude, quickness, and authority of the horse/ rider team when performing the various maneuvers.

B. A contestant shall be penalized each time the following occur:

1. One (1) Point Penalties:

- a. Too slow/per gait
- b. Over-Bridled (per maneuver)
- c. Out of Frame (per maneuver)

- b. Break of gait at lope, except when correcting an incorrect lead
- c. Wrong lead or out of lead for more than 2 strides
- d. Draped reins (per maneuver)
- e. Severe disturbance of any obstacle

- f. Out of lead or cross-cantering more than two strides when changing leads, trotting more than three strides when making a simple lead change
- g. Trotting more than three strides in a lope departure or exiting a rollback into a lope from a stop or walk

3. Five (5) Point Penalties:

- a. Blatant disobedience (kick, bite, buck, rear, etc.)
- b. Each refusal
- c. Spurring in front of the cinch

4. Off Pattern: Placed below horses performing all maneuvers

- a. Eliminates maneuver
- b. Incomplete maneuver
- c. Breaking pattern
- d. Use of two hands except with snaffle or hackamore; more than one finger between slip reins or any fingers between romal reins (except in two rein).

5. Zero (0) score:

- a. Illegal equipment (including hoof black, braided or banded manes or tail extensions)
- b. Willful abuse
- c. Lameness
- d. Schooling
- e. Repeated blatant disobedience
- f. Schooling

C. There will be no specific penalties for ticking or hitting logs, however deductions may be made based on overall maneuver.

SH-125. Ranch Trail

A. The purpose of the Ranch Trail class is to test the ability of the ranch horse to maneuver through situations and obstacles which may be encountered on a ranch, and in everyday ranch work. The horse should be judged on correctness, efficiency, and maneuvering skills. Credit will be given to the horse that is well broke and that negotiates the obstacles with style, expression, and some degree of speed, providing carefulness is not sacrificed.

B. The Ranch Trail class will consist of a minimum of six (6) obstacles and no more than nine (9) obstacles. The course shall be returned to its original design after each horse has worked.

C. It is mandatory that the horse be asked to walk, trot and lope during the course. Walk can be part of obstacle score or be scored with the approaching obstacle. Trot must be at least 35 feet and score with approaching obstacle. Lope must be lead specific, at least 50 feet and score with approaching obstacle.

D. When setting courses, obstacles should be representative of challenges found on the trail or simulate what may be experienced by a horse/ rider on a ranch. Care must be exercised to avoid setting up any obstacles that may be hazardous to the horse or rider.

E. Judges must walk the course and have the right and duty to alter the course if it is not in keeping with the intent of the class.

F. Damaged or unsafe obstacles shall be removed from the class at the point in which they become damaged. If damaged obstacle occurs mid-class, all scores earned on that obstacle shall be eliminated.

G. Show management may or may not allow exhibitors to walk the trail course.

H. Mandatory obstacles and/or maneuvers:

- 1. Ride over obstacles on the ground – usually logs or poles.**
Walk, trot, or lope may be used, but only one gait is required.

Natural logs are recommended.

- a. Walk-overs:** Walk over no more than four logs or poles no more than 10 inches high. The space between logs or poles should be 26-30 inches. The formation may be straight, curved, zigzagged, or raised.

 - 4. Backing obstacles:** Backing obstacles are to be spaced at a minimum of 28 inches. If elevated, 30-inch spacing is required. Back through and around at least three markers. Back through L, V, U, straight or similarly shaped course which may be elevated no more than 24 inches.
 - 5. Side pass obstacle:** Any object which is safe and of any length may be used to demonstrate responsiveness of the horse to leg signals. Raised side pass obstacles should not exceed 12 inches.

6. Rope drag: Open and Amateur classes, ONLY. A rope drag is not to be used in Novice or Youth Classes. Drag may be a complete figure eight and may begin in either direction. The exhibitor must have the rope dallied on the saddle horn (a full dally) for the duration of the drag or receives an OP.

I. Optional obstacles may consist of, but are not limited to:

A jump obstacle whose center height is not less than 14 inches high or more than 25 inches high (Holding the saddle horn is permissible for this obstacle); Only live or stuffed animals which would normally be encountered in an outdoor setting may be used but not to be used to spook a horse; Carry object from one part of the arena to another; Remove and replace materials from a mailbox; Trot through cones spaced a minimum of 6 feet apart; Cross natural ditches or ride up embankments; Swing rope or throw rope at a dummy steer head; Step in and out of obstacle; Put on slicker or coat; Stand to mount with mounting block (Stool/Mounting block will be provided); Walk through water obstacle; Open gate on foot. Stool/Mounting block will be provided; Pick up feet; Walk through brush; Ground tie. (Hobbles are allowed, Stool/Mounting block will be provided); Lead at the trot

J. Prohibited Obstacles:

The horse should be willingly guided or controlled with little or no apparent resistance. The horse/rider team's overall performance should be credited for smoothness, finesse, attitude, quickness, and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exciting and pleasing to watch.

SH-145 Ranch Cow Work

A. This class aims to showcase the horse's skills in cow work, which is an essential aspect of being an idea ranch horse. In addition, the ideal ranch cow horse should have a natural ranch horse appearance from head to tail in each maneuver. Holding the saddle horn is permitted. There is a time limit per horse/rider team to perform the work depending on the division and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. The judge may award a new cow to a contestant to replace a cow that will not cooperate with the horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

B. Exhibitors in the open, amateur and youth divisions are allotted three minutes to complete the work. When there is one minute left, the announcer will announce, one minute remaining. At three minutes, the announcer will call for time.

C. There are three parts to the class: boxing, fence work and roping or circling.

1. Part One – Boxing the Cow: The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The horse should exhibit superior cow sense and natural cow working ability without excessive reining or spurring. In the head-to-head working position, the degree of difficulty shall be considered. The cow shall be controlled on the entry end of the arena for enough time to demonstrate the horse's ability to hold the

cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow on the entry fence.

2. Part Two – Fence Work: After the cow has been controlled on the entry end of the arena, the rider shall set the cow up and drive it down either side of the arena. The cow should be turned on the fence at least once in each direction. The first run out for a turn shall be past the half-way mark of the arena. All turns down the side shall be completed before reaching the end fence. A good turn on the fence may be defined as when a cow, while being run down the fence on one side of the arena, is turned the other direction and held near the same fence while being run in a new direction. During the turn the horse should use himself in a controlled athletic manner, using his hocks to stop and drive out of the turn, while using his front end to balance and turn. To be considered a turn, the exhibitor must be close enough to the cow to be the cause of the turn. The turn must be tight enough so as not to be considered just circling the fence.

3. Part Three – Roping or Circling: All exhibitors have the option of circling the cow in the middle of the arena in both directions in lieu of roping. Exhibitors may circle or rope the cow but cannot combine the two to get credit for this portion of the run.

a. To circle the cow, the exhibitor will maneuver the cow smoothly at least 360 degrees in each direction without interference from the fence. The circle's size, symmetry, speed and relative balance from right and left show control. Tightening the circles down with fast head-to-head speed will be a credit situation. The circles should be completed before the cow is exhausted. Once an exhibitor has committed to circling a cow, if the cow falls no new cow will be awarded. The exhibitor will complete the run by riding around the fallen cow to fulfill circling requirements. In the

circling portion of the judging, one whistle will terminate the work and two whistles will award a new cow.

b. To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull up after the fence work, take down the rope and proceed to rope and stop. In the roping portion of the class, two throws are permitted, and the horse will be judged on two maneuvers: tracking/rating and stopping the cow. It is not necessary that the exhibitor catch to receive a score in the roping portion. The catch is legal as long as the cow looks through the loop and the rope pulls tight on any part of the animal's body except the tail. The rope may be tied on or dallied. If the exhibitor does not catch, the horse will be given credit for tracking and rating and will be assessed the appropriate penalty.

SH-150. Ranch Cow Work Credits and Penalties

A. During Boxing, credit will be given for the horse's expression and its cow sense (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work.

B. Credit will be given during Fence Work for making the first run past the center of the arena; making turns right on the cow; and controlling a difficult cow.

C. If Roping, credit will be given for rating and following cow to allow rider the optimal roping position; stopping hard; and staying in the ground during the hold. Credits for each element of Roping range from $-1 \frac{1}{2}$ to $+1 \frac{1}{2}$ points. If Circling, credit will be given when the horse works willingly; acknowledges the cow; and gets close enough to the cow to control the circles. Credits for Circling range from $-1 \frac{1}{2}$ to $+1 \frac{1}{2}$ points for each direction.

D. Maneuver evaluations and penalty applications are to be determined independently. The following penalties will be applied to each occurrence and be deducted from the final score:

- f. leaving arena before run is complete
- g. improper western attire
- h. repeated blatant disobedience
- i. fall of horse/rider.

7. If the open rider runs out of time to rope, there will be no credit for the stop/hold maneuver and a 5-point penalty for

failure to catch. Riders may still earn credit for tracking/ rating, control/position, and speed/ degree of difficulty.

SH-155. Ranch Boxing Cow Work

A. The Ranch Boxing class is designed to show the horse's ability to control and hold the cow in a specific area. The horse should exhibit a bright expression and should be focused on the cow. No horse under 3 years of age may be shown in this class.

B. Exhibitors are allotted 50 seconds to complete the work. The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow. The announcer shall call time at the end of the 50 seconds, indicating the completion of the work.

SH-160 Ranch Boxing Cow Work Credits and Penalties.

A. All runs begin upon entering the pen; any infractions are subject to penalty at that time. During Boxing, credit will be given for the horse's expression and its 'cow sense' (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Horse should stop using haunches. Turns should be quick and snappy.

B. Each horse/rider team is scored between 0-100 points and automatically begins the run with a score of 70 points. The horse/rider team is scored on the quality of maneuvers (e.g., -1 1/2 extremely poor, -1 very poor, -1/2 poor, 0 correct, +1/2 good, +1 very good, +1 1/2 excellent).

C. Credit is given for: maintaining control of the cow at all times, maintaining proper position, degree of difficulty, eye appeal, time worked.

D. Penalties will be assessed as follows:

1. One (1) Point Penalties:

- a. over-bridled (per maneuver)
- b. out of frame (per maneuver)
- c. loss of working advantage
- d. working out of position
- e. slipping rein.

SH-165 RANCH BOX - DRIVE - BOX -DRIVE COW WORK

A. This class is offered to allow horse and rider to transition from the box work into boxing plus fence work, without the element of circling or roping the cow.

B. Exhibitors are allotted one minute and forty-five seconds to complete the work. When there is 50 seconds left, the announcer will announce, "50 seconds remaining". At one minute and forty-five seconds, the announcer will call for time. Exhibitors are not required to use all the allotted time but must ride until the judge whistles the end of the run or time expires, whichever occurs first.

C. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a fence turn, instead the drive down the fence demonstrates correct position and control around the corner.

1. Part One – Boxing the Cow – The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse's ability to hold the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse's ability to drive and block the cow.

2. Part Two - Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.

3. Part Three – Boxing the Cow at Opposite End of Arena –

The exhibitor will regain control or hold the cow at end of the arena to demonstrate the horse's ability to "hold" the cow.

4. Part Four – Drive the Cow back down the fence (original

side) past the middle marker and continue until the judge blows the whistle to show completion. While boxing the cow at the opposite end, if the rider loses control and allows the cow to cross the center line, the judge will whistle the end of the run. The rider will receive off pattern penalty (OP) for the run.

SH-170 Credits and Penalties.

A. All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear) are subject to penalty at that time. During Boxing, credit will be given for the horse's expression and its 'cow sense' (i.e., making moves with little rider assistance); holding, controlling, and turning the cow; the amount of work actually done; and the degree of difficulty of the work.

B. Credit will be given during Set Up Cow and Drive Down Fence for rating the cow; blocking the cow with pressure towards the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow. Maneuver evaluations and penalty applications are to be determined independently.

SH-175. RANCH HORSE CONFORMATION.

A. The purpose of ranch conformation is to preserve American Ranch Horse type selecting well-mannered individuals in the order of their resemblance to the ideal and that are the most positive combination of balance, structural correctness, and movement with appropriate breed and sex characteristics and adequate muscling. The ideal ranch conformation horse should have a natural ranch horse appearance from head to tail.

B. At the discretion of show management, horses in each division may be shown as one class. Stallions, mares, and geldings will compete together in open and amateur. Mares and geldings will compete together in the youth division.

SH-180 RANCH CONFORMATION EQUIPMENT

A. Horses are to be shown in a good working halter: rope, braided, nylon or plain leather. Horses may not be shown with a lip cord or safety lead; however, a chain may be used under the chin or over the nose. It is recommended but not required for exhibitors to remove their spurs.

SH-185. RANCH CONFORMATION CLASS PROCEDURE

A. Horses will enter the judging area individually. As the horse approaches, the judge(s) will step to the right to enable the horse to trot straight to a cone placed approximately 50 feet away. At the cone, the horse will continue trotting, turn to the left and trot toward the left wall or fence of the arena. After trotting, horses will be lined up head to tail for individual inspection by the judge. The judge shall inspect each horse from both sides, front and rear and place the horses in order of preference.

SH-190. RANCH HORSE YEARLING LONGE LINE

A. This class is open to yearlings. An exhibitor may show up to two horses in a Longe Line class. The same exhibitor must show the horse(s) in both the conformation and longeing portions of the class.

B. The purpose of this class is to demonstrate the yearling's movement, manners/expression/attitude, and suitability as a ranch horse prospect. This class will reward the following: quality of movement, manners/attitude, and conformation suitable for use as a future ranch horse.

C. Equipment/Tack: The horse shall be shown in halter (Nylon, rope or leather). Minimal to no silver on the halter. The longe line shall not exceed 30' in length with a snap attached to the halter. The longe line shall hang free from the halter without touching any part of the horse. Longe whips are permissible, however, disqualification will occur if the exhibitor blatantly strikes the horse with the whip to cause forward or lateral movement at any time during the demonstration. No additional equipment shall be allowed during the class. No mechanical equipment shall be allowed. A lead shank or lead rope may be used during the conformation judging and inspection. The type of halter/lead and/or longe line used shall not be considered when placing the class.

SH-195. Class Procedure:

A. The conformation inspection will occur as the horse is walked into the arena prior to the longeing demonstration at which time the judge will also evaluate the horse for conformation suitable for future performance. Each entry will be walked into the arena to the judge and pause for evaluation individually. They will then trot off straight and around a cone and take a place on the wall inside the arena. All entries will be inspected in this fashion and as the "trot-off" is administered, horses showing evidence of lameness should be excused from the class at that time.

B. Judge(s) will be outside the longeing circle. The exhibitor will enter the longeing area and await the audible start signal. When the signal is given, the exhibitor will be allowed 1½ minutes (90 seconds) to present the horse. At the end of 1½ minutes, a signal will be given again to signify the end of the demonstration. Show management has the option of adding a "half-way" signal if they choose. (The signal may be a bell, whistle or announcement.)

C. Once the class has started, horses warming up prior to their go may only warm up at the walk.

D. The horse will be scored at the walk, trot, and lope in both directions. Any horse that does not exhibit these gaits in each direction will be disqualified from the class. Additionally, the judge shall immediately excuse any horse who exhibits obvious lameness at any time during the class. Exhibitors may begin work in the direction of their choice (counter or clockwise).

E. At the end of the 1½ minutes, a signal will be given and the exhibitor shall at the request of show management, retire from the longeing area and retire to the far end of the ring. The horses are to stand quietly on the rail while the other exhibitors are being judged.

F. If the horse plays on the longe line, it shall not count against the horse. The judge will, however, penalize the horse for excessive bucking or running off, stumbling or displaying attitudes that are uncomplimentary to pleasure horses.

G. Exhibitors are encouraged to exhibit their horse making full use of a longeing circle having a 25' radius (7.5m).

H. Scoring. Each evaluated element will receive a score that will be added or subtracted from 70 and is subject to a penalty that should also be subtracted.

1. Conformation, Jog/Trot, Lope/Canter and Manners/Attitude will be scored on the following basis ranging from +3 Excellent, +2 Very Good, +1 Good, 0 Correct, -1 Poor, -2 Very Poor, -3 Extremely Poor and the Walk and Use of Circle will be scored on the following basis ranging from +1½ Excellent, +1 Very Good, +1/2 Good, 0 Correct, -1/2 Poor, -1 Very Poor, -1½ Extremely Poor.

2. Horses will be penalized for obvious signs of overwork and sourness such as ear-pinning, head-throwing, striking, tail-wringing, or a dull, lethargic manner of going. They will also be penalized for dangerous behavior such as excessive bucking,

cutting into the circle, or running off. Additionally, incidental touching the horse with the whip, cross-cantering, balking, backing up on the longe line and excessive urging from the exhibitor should be penalized accordingly.

3. Penalties and disqualifications

1. five (5)-point penalties per direction.

- a. failure to jog/trot a minimum of $\frac{1}{4}$ (quarter) of a circle.**
- b. Failure to demonstrate the correct lead for a minimum of $\frac{1}{4}$ (quarter) of a circle.**

4. Disqualification will occur in the following instances:

- a. evidence of lameness—judge will immediately excuse horse from the arena**
- b. blatant striking horse with the whip during the longeing demonstration that will cause forward or lateral movement.**
- c. horse falls—A horse is considered to have fallen when it is on its side and all four legs are extended in the same direction**
- d. horse steps over or becomes entangled in the longe line**
- e. failure to show at all three gaits in both directions**
- f. any time the horse becomes detached from its exhibitor**
- g. exhibitor shows disrespect towards the judge(s)**

Intern forms will be provided upon request and shall be signed by the carded judge who is providing the internship. Three positive evaluations must be submitted to be considered for a WRHA judges' card.

JU-020. JUDGE CONDUCT

A. Any individual holding a WRHA Judge's card is expected to always conduct themselves in a professional manner, irrespective of whether they are actively judging.

B. A judge shall arrive on the show grounds 30 minutes prior to the start of the event.

C. WRHA Judges are obligated to consistently place the best Ranch Horse in the class, without regard to the rider or exhibitor. The emphasis is on evaluating and rewarding the qualities that define an exemplary Ranch Horse.

D. WRHA aims to preserve the authenticity of Ranch Horse competition. While all horses are encouraged to participate in ranch classes, judges bear the responsibility of identifying and rewarding the best "Ranch Type" horses in each class. Recognition is to be given to horses that align with the description and exhibit the desired traits of a Ranch Horse.

E. Fraternization/Perception. A judge shall not visit in the horse barns with owners, exhibitors, trainers, or other judges; inspect or discuss any horse entered in the show or contest; or review the show program until after the entire show has been completed

F. It is mandatory for all judges to complete and sign their judge's cards, which must be submitted to show management upon completion.

G. Judges must perform a bit inspection in at least one class during an approved show.

H. Any judge found to be in violation of the rules outlined above may be subject to review and potential suspension. To make a formal complaint against a WRHA approved judge, such complaints must be in writing, signed by the complainant, contain alleged rule violations, date and location within sixty (60) days of the show or contest. If a grievance is filed, it will be reviewed by the board of directors and determined if any action is appropriate.

JU-030. GUEST JUDGE:

A. WRHA reserves the right to authorize a Guest Judge Permit at its discretion. To be eligible for a Guest Judge Permit, the judge must fulfill the following criteria:

- 1.** hold a judge's card with either AQHA, APHA, NRHA, ARHA or NCHA
- 2.** possess knowledge and experience in judging Ranch Horse classes
- 3.** maintain a current WRHA membership
- 4.** pass WRHA rule book test with a minimum score of 85%

B. Show management is permitted to utilize one guest judge during a calendar year. These guidelines ensure that Guest Judge Permits are granted to individuals with relevant experience and qualifications in judging Ranch Horse classes. The limitation on the number of guest judges in a calendar year aims to maintain the integrity of judging processes at WRHA-approved events.

JU-040. SPECIAL EVENT JUDGE PERMIT

A. A non-carded judge may apply for an annual permit to judge up to two events at a WRHA approved show.

B. This annual permit, known as a Special Event Judging Permit, comes with specific conditions and restrictions: The permit allows the judge to officiate in up to two classes at a WRHA approved show. Cattle classes are excluded from the events that can be judged under this permit.

C. Special Event Judging Permits must be renewed on an annual basis to remain valid. It is crucial that the permit holder notes on the permit application the specific classes they are requesting to judge. Any classes judged by a permit holder that are not explicitly listed on their application will not be considered valid WRHA classes, and exhibitor points from those events will not contribute to year-end awards. The permit holder is responsible for notifying show management about the classes they are permitted to judge. If a permit holder judges classes not listed on their permit, they may be subject to termination of the permit.

JU-040. JUDGE ATTIRE

A. WRHA enforces a requirement for all judges officiating at WRHA-approved events to dress professionally and appropriately. The prescribed attire for WRHA judges includes the following elements: collared long sleeve shirt, blouse or jacket, long pants, western hat, western boots.

RH-010. SHOW APPROVAL

A. To obtain show approval from WRHA, show management is required to submit a Show Approval Application no later than 45 days prior to the scheduled start date of the show. The application must be completed in its entirety and include details such as the list of judges, show dates, and show location.

B. It is essential for any WRHA-approved show to utilize judges who have received approval from WRHA. WRHA may grant authorization for a judge to serve as a guest judge on a one-time basis. However, a

person judging as a guest judge is limited to judging a single WRHA-approved event in that capacity. Application and membership fees are required along with the successful completion of a rule book test. This ensures that judges associated with WRHA-approved shows meet the organization's standards.

RH-020. SHOW RESULTS

A. Within 15 days of the conclusion of any WRHA approved show, the show management is required to submit a comprehensive show report to WRHA. This report must include all class entries and placings for each judge. The submission should be in the format of the WRHA-provided spreadsheet or a typed document that clearly outlines each judge's name, each class, the number of entries in each class, exhibitor names, horse names, and all placings in every class by all judges. It is important to note that hand-written submissions will not be accepted.

B. Additionally, each show report must be accompanied by all judges' cards. These judges' cards must bear the signature of the judge responsible for placing the class. Even in cases where a class has zero entries, a judge's card should be signed by the judge, indicating 0 entries for that specific class.

C. World Ranch Horse Association (WRHA) commits to promptly posting show results within 30 days upon receiving the Show Completion Report. In the interest of accuracy and fairness, any discrepancies or errors in points must be reported to WRHA within 60 days from the date when the points are initially posted by WRHA. The responsibility for addressing and reporting point discrepancies lies with the exhibitors, who are required to contact WRHA in writing to ensure a thorough review and resolution process.

RH-040. WORLD SHOW

A. The World Ranch Horse Association (WRHA) organizes an annual World Show open to all its members. In this prestigious event, World Titles and Awards will be awarded to the first and second place winners of each class featured in the World Show.

B. Additionally, WRHA introduces World Show Invitational Classes, which may be offered in any given year. These classes are exclusively available to exhibitors who secured either 1st or 2nd place in a specific class during the qualifying period from the previous year's World Show to the current year's World Show. The primary aim of the Invitational Classes is to recognize and reward WRHA members and exhibitors who consistently participate in WRHA approved shows.

1. Winning exhibitors in these Invitational Classes will be honored with a prestigious World Championship Award, providing special recognition for their dedication and success in WRHA-approved shows over the qualifying period. This initiative encourages regular participation and showcases the achievements of committed WRHA members at the annual World Show.

RH 050. WRHA SHOWS

A. Shows that are conducted in-house by the World Ranch Horse Association (WRHA) will be officially recognized as WRHA "Hosted" shows. These shows will carry double points, contributing to both the Year End Awards and The Outrider Program.

B. For each judge present at WRHA hosted shows, a double set of points will be awarded.

C. This strategic approach ensures that WRHA members and exhibitors derive maximum benefits from these hosted shows. The double points system aims to maintain competitiveness for year-end awards, particularly in regions where there might be limited access to approved shows. This initiative ensures that all exhibitors and members have a fair opportunity to compete for and achieve year-end awards.
