

WHO ARE WE?

Our Mission Statement:

The World Ranch Horse Association was formed to bring the passion and the heritage of the American Ranch Horse together with competition, education and responsible stewardship. WRHA strives to preserve the heritage of the Ranch Horse while promoting its value to others through competitive based opportunities along with offering learning and educational programs across the United States of America. The Ranch Horse is the foundation to the lifestyle and values of the west and we believe these values are at the core of all who enjoy horses.
