Hello,

I am writing on behalf of The World Ranch Horse Association, a 501(c)(3) nonprofit organization which was formed to bring the passion and the heritage of the American Ranch Horse together with competition, education, and responsible stewardship. WRHA strives to preserve the heritage of the Ranch Horse while promoting its value to others through competitive based opportunities along with offering learning and educational programs across the United States and Canada. The Ranch Horse is the foundation to the lifestyle and values of the west, and we believe these values are at the core of all who enjoy horses. We depend on donations and are reaching out in hopes you will consider supporting our organization with a financial gift to help us grow our scholarship program, provide more educational resources to the public, and support our general membership. We would greatly appreciate any contribution you are willing and able to provide.

If you agree to make a financial gift, there are a few recognition benefits we offer to corporate donors:

- Listing as a sponsor in our event programs and website
- Social media posts recognizing your donation and company
- Photo opportunities and ability to hang signage at our events
- Plaque to display at your place of business

I would welcome the opportunity to meet with you or provide any other details that would be helpful in considering The World Ranch Horse Association for this sponsorship opportunity. Should you decide to donate, I have included remittance instructions on the next page for your convenience.

I, along with the board of directors greatly appreciate your consideration of this request to support WRHA and our work to promote the heritage of the ranch horse. Please don't hesitate to contact me if you would like any additional details or have any questions.

Sincerely,

*Carolyn Dobbins*
